

BEARMACH

exclusively introduces

Engine Diagnostics for TD5 Defenders

The affordable way to keep a clear view of your vehicle's health

NANOCOM

NOW for Discovery

NANOCOM is a diagnostic instrument that is able to fully dialogue and interact with the ECUs installed on Land Rover TD5 vehicles. Nanocom has an on board display that enables self-sufficient diagnostics and instrumentation as well as a PC link for computer diagnostics.

NEW: The latest software now accesses the ABS, SL and BCU modules installed on Discovery 2 - see website for full details.

- ◆ Self contained unit - (no PC required) & PC based diagnostic (Windows XP only)
- ◆ Instrument feature - displays battery voltage, coolant temperature, turbo boost & RPM
- ◆ Read/Clear fault codes
- ◆ Read/Settings
- ◆ View inputs/outputs
- ◆ Future-proof with software updates via internet
